

There are **46** Chromebooks in year 3 and they share them **equally** with year 4.

How many does each year have now?

Miss Lauder found **£47** in her purse on Monday. The next day, Mrs Sidhu found **double** the amount behind the sofa. How much did Mrs Sidhu find?

True, sometimes true or never true.

If I **double** any 2 digit number, the answer will always be an even number.

Show your working out.

Rachel got 68 correct answers in her test. This was double what Abi got. How many did Abi get correct?
