Complete the sheet below- more practice for finding 10 or 100 more or less than each number!

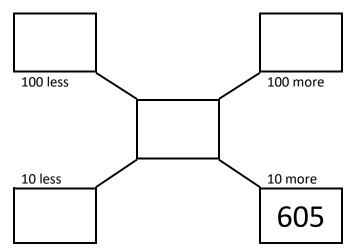

Once you've got the hang of it- try the challenges: they are tricky!! Think carefully.

- Find the centre number
- Find all the other numbers

- Find the centre number
- Find all the other numbers

Extra challenge!

- 1.10 more than my number is 345. What is 100 more than my number?
- 2. What is 10 more than 100 less than 238?
