

## The Robot Maker

Credit: Goro Fujita

- What does this robot do?
- Is the man building it or repairing it?
- How does he feel about it? Is this one special?
- Do you think he's been a robot maker for a long time?
- Is he good at his job?
- What kind of person do you think he is? What are his likes/dislikes? Do you think he prefers to be around people, or be alone? Get in role as this man and answer these questions: 20 questions to get to know a character. Try to explain each choice you make.

### **20 questions to get to know a character**

Get into role as your character and answer these questions. Explain your answers, giving reasons for your choices.

Which do you prefer?
