Times Table Rock Stars practice

Online Resources

- ★ Times Table Rock Stars
- ★ Seesaw Activities
- ★ Numbots
- ★ Maths Jam

What if I need help?

Leave a comment in Seesaw for your teacher to see. They will reply as quickly as they can, but be aware some days they will be teaching in school. Therefore they will respond as soon as they can.

You could also ask questions in your class blog.

Class Meet Up

Look out for this symbol on your timetable. Your teacher will be available during this time to answer any questions.

Keeping in touch

Your teacher will organise weekly video calls so that you can catch up with your class.
