

Family Learning Team

Do you have a child aged 4 – 11 years?
If so, this fun and exciting 10 week course could be for
you!

Keeping up with the Children Maths

Parkgate Primary School
Wednesday 9.15 – 11.45am
Starting 14th January

This fun, practical course will explain how schools teach maths today and how your child learns.

It will include:

- The methods used in schools
- How to help with maths homework
- Information about the new maths curriculum
- The chance to work towards a maths qualification

To book onto the course or
secure a crèche place, please
